EDUCATION

PhD Student | German Sport University Cologne

SINCE 2025

Topic: 'Reproducibility in Sports Science'.

M. Sc. Performance, Training, and Coaching in Elite Sports | German Sport University Cologne

2022 - 2024

Main topics: exercise physiology, training science, psychology.

Final Grade: 1.2 (very good); thesis: 1.0

B. Sc. Sport and Performance | German Sport University Cologne

2018 - 2022

Main topics: exercise physiology, sports medicine, training science, sports practice.

Final Grade: 1.2 (very good); thesis: 1.0

EXPERIENCE

Research Associate | Institute of Exercise Training and Sport Informatics, German Sport University Cologne

SINCE 2025

Leading research projects in the field of meta-science and applied statistics

Lecturer | German Sport University Cologne

SINCE 2021

Head of module 'Data Analysis, Modeling, and Visualization in Sports', 'Advanced Statistics & AI', 'Theory and practice of triathlon', former tutor for 'Introduction to statistics'

Research Assistant | Institute of Movement and Neurosciences, German Sport University Cologne

2020 - 2024

Contributing to scientific studies, mainly by processing and analyzing physiological and biomechanical data, writing own publications.
